

The Maine Insurance Agents Association is pleased to announce the creation of two scholarship programs to support and encourage undergraduate students in a career in insurance.

Students attending Thomas College in Waterville, Maine who demonstrate an interest in the insurance industry may enroll in the Associate in General Insurance (Ins) course and take the State of Maine Insurance Producer Exam through the college.

Students attending USM in Portland, Maine who demonstrate an interest in the insurance industry may enroll in several Risk Management courses.

Criteria for consideration of a scholarship include:

- Full-time, undergraduate student(s) who demonstrate an interest in risk management and insurance as a career. Students may be pursuing a degree in any major.
- Students must have at least 60 credits with a cumulative grade point average (GPA) of a 3.0 or greater at time of application.
- Student(s) must be a Maine resident and in need of financial assistance.

Scholarship Award Amount – The total distribution for the 2020 - 2021 academic year will be determined based on the College's evaluation of the applications submitted. Scholarships will be available at the beginning of each semester, starting January 1, 2021.

We are extremely grateful for the support we have received from many of our company partners. It is with their generous financial contributions that we have been able to establish the Maine Insurance Agents Association Scholarships. Their financial support is in addition to the MIAA partnership program in which they participate in annually.

Thank you, thank you, thank you partners!
