Earn your CPIA Designation in 3 Days Approved in Maine for 22 CEC's 9/29-10/1

The MIAA and the AIMS Society have partnered to bring you the CPIA Designation Program. The courses are being offered in Maine and can be taken as individual 1 day courses, or you can join us for all 3 days and earn a designation. There is no exam required. The material is great for new to the industry agents but even experienced agents leave learning something new! Each course does have sections that will discuss an agency's E&O and how to avoid potential claims.
