Term Life Insurance

Mortgage payments, education, health care and daily living expenses continue for your family if something happens to you. Help protect their financial future with \$50,000 Basic Life Insurance available to Agency Owners/Managers and up to \$30,000 for their employees. This Basic Life coverage is only available if 100% employer paid and if the employer and 100% of the employees enroll. There is no medical underwriting. Additional term life insurance up to \$300,000 is available through the Voluntary Life Insurance Program (medically underwritten). If you have Basic or Voluntary Life, Dependent Term Life Insurance is also available with up to \$100,000 for spouses (medically underwritten) and \$3,000 for children.

Business Overhead Expense

Help keep your agency active when you are disabled. Benefit options of up to \$10,000 per month are available for agency owners maintaining their own office.

Long Term Disability

(Not Medically Underwritten)

Consider how you would manage if a long-term disability reduced your earning power. If you become disabled this plan can help replace up to 60% of your lost income on the base plan and up to 100% in the event of a catastrophic disability. The base plan offers monthly benefit amounts from \$200 to \$8,000. The optional catastrophic disability plan can provide up to \$3,200 per month. There is no medical underwriting, however, disability income benefits are subject to a pre-existing condition limitation.

Short Term Disability

If you were to become unable to perform the material and substantial duties of your occupation, this plan can help replace your income up to \$1,500 per month; not to exceed 75% of current monthly income. The maximum benefit period is 30 months (under age 65).

Accidental Death & Dismemberment

This plan covers up to \$400,000 for loss of life or injury sustained from a covered accident. You and your qualified dependents can be covered 24 hours a day, anywhere in the world - at home, at work, or on vacation.

Hospital Indemnity

This plan provides daily benefits up to \$200 a day for insureds while they are hospitalized. Optional coverage is available for spouses and dependent children.
