

## **ATTENTION:** **Personal Lines Producers!**

There are a limited number of endorsements that RLI processes mid-term. Here's the list, for future reference:

- *Named insured changes*
- *Primary/ mailing address changes*
- *Request to increase/decrease PUP coverage limit*
- *Underlying auto liability limits changed*
- *Request to add/delete UM/UIM coverage*
- *Add a household member (14 years or older)*

Any other changes may be reported on the insured's renewal questionnaire when RLI asks the insured to update their information. If an insured acquires an additional property, auto, etc., it would be covered in the meantime as long as the insured is maintaining the required underlying limits.
