

Commercial Lines Account Managers Position Open July 2020

Coastal Insurance Agency in Portland Maine is looking for an experienced commercial lines account manager to join our growing insurance team. The applicant should have excellent customer service and communication skills; well organized, reliable, efficient, friendly and able to work well in a team atmosphere.

The responsibilities of an account manager are to provide excellent customer service to our clients with regards to questions on their insurance policies, billing questions as well as coverage reviews and recommendations in all lines of commercial insurance.

Excellent salary with monthly sales incentives. Great health and holiday/vacation benefits as well.
