

# INSURANCE PRODUCER

GHM Agency is adding a new commercial lines producer to its team. Producers are responsible for writing new business and servicing an existing book of business. GHM Agency is a fast paced, forward thinking company, fully utilizing automation systems combined with an extensive marketing and advertising program to support our producers. Personal qualities must include being a positive minded, self-motivating, customer-oriented team player with a property casualty license, and at least 3 years of insurance experience. GHM Agency offers competitive wages, commission bonus, and several employee benefits. If you are looking for a new opportunity to grow and advance your insurance career, please submit your résumé to:
